## GOD IS FAITHFUL!

In chapter 34 of Exodus, God describes his own character. He is gracious, merciful, abounding in steadfast love and faithfulness, and more! We have seen this on full display in these past months here at Palmyra. Beginning in March, and recently wrapping up, we have gone through the book of Colossians, where we were reminded of why we are to be a Christ-centered body, and what a life focused on our new identity in Christ looks like. We represent the kingdom of the one true God and are knit together in love as one body!

We have moved into a short series on worship. Why do we do it? What is it? How can we grow in it? We will look to scripture to answer these questions and more. Join us for the rest of the series. Along with this series we have started Summer Worship Nights on Sunday evenings at 6:30pm. Join us for a wonderful time of singing, scripture, and testimony.

Our next sermon series will be a journey through the book of Jonah, looking at God's love and our obedience.

# SERVING GOD

Pastor Brandon Redic at the Men's Breakfast.

These past few months have been busy for Palmyra in a good way! March brought an all-ages service trip to Anadarko, OK, where we put on a mini VBS for local kids and helped with several projects around the Anadarko Christian Center. In April we had the men's breakfast and the ladies' tea, both were a wonderful success with excellent guest speakers. At the end of May we had our own VBS where we learned about several names of God, and got to marvel at the work of his great outdoors by ending the week with an overnight campout at Gospel of Grace Ministries. During VBS we had the opportunity to make blankets, deliver food, and decorate lunch sacks for the New Hope homeless shelter in Newton.

## MISSIONS REPORT

First, I want to thank you all for your abundant love and prayers and support over these last several months. I'm so grateful for all of you and so excited for you to join me on this journey.

To fill you in, in August I will be participating in a mission called the World Race. My team of about 30 people from all over the U.S. and parts of Australia will be traveling to 11 countries in 11 months. We will visit parts of the world that may have never been reached with the Good News of the Gospel of Jesus Christ.

The first 2 weeks of June I will be in Georgia at the headquarters of Adventures in Missions (the ministry that hosts the World Race) for my training camp. During this time we will be living in our tents and out of our packs, learning about the cultures and countries we will be traveling and ministering to, meeting our teammates, participate in a fitness test, and begin to learn how to evangelize and share the Gospel. After I return from training camp, there will be a brief period of about 6 weeks to do some last minute preparations before my team and I launch on the World Race. Our first country will be Spain.

Keep me in your prayers, please, as I travel to and from Georgia. Pray for protection and travel safety, good health, strong connections between my teammates and I, and last minute preparations for this journey.

Thank you all. Love and blessings,  
Hadassah
